**1) Describe your situation when the natural disaster occurred.**

We resided in a home that received extensive damage caused by Hurricane Sally in September 2020. A tree fell on the house ripping power lines from the house and creating a huge hole in the center of the home, which made it uninhabitable. Luckily no one was injured.

**2) Describe how the RNDC Relief Fund assisted you in the recovery process.**

We were able to use the funds for the moving process, replace miscellaneous items and secure a storage unit.

**3) Why is it important to have the RNDC Relief Fund available to associates during natural disasters?**

The funds are an asset to help RNDC families when they are faced with difficult circumstance and hardships. It alleviates the stress of unexpected expenditures and gives families some comfort. We were able to come up with a plan and didn't have to worry about the added expenses of a sudden and abrupt move.
