

# SUSTAINABLE DEVELOPMENT GOALS

Achieving the Global Goals  
One Community at a Time

The Sustainable Development Goals (SDGs), are a concentration of 17 global goals adopted by the United Nations as a universal call to action to which is a blueprint for achieving a happier and healthier world by 2030.

RNDC is committed to aligning our actions to 11 of the SDGs.

## SDG #1 No Poverty

We do our part to help end poverty and enable individuals to attain financial freedom by offering competitive wages and benefits.

## SDG #2 Zero Hunger

We are committed to reducing hunger in our communities by making financial contributions, donating food and volunteering to help support local food banks.

## SDG #3 Good Health and Well-Being

We provide resources and experiences to improve and enhance the Physical, Emotional & Mental, Financial, Spiritual and Environmental Well-Being of our associates and communities.

## SDG #4 Quality Education

We support scholarship programs that help associates eliminate some of the financial burden of a college education for dependents and provide access to equitable education opportunities in underserved communities.

## SDG #5 Gender Equality

We understand the challenges surrounding gender equality and equity, so we empower and advance women through professional development opportunities.

## SDG #7 Affordable and Clean Energy

We identify ways to improve energy efficiencies and reduce waste through prevention, reduction, recycling and reuse measures.

## SDG #8 Decent Work and Economic Growth

We create sustainable economic growth and provide equal employment opportunities for all job-seekers.

## SDG #10 Reduced Inequalities

We provide a culture of intentional inclusion for all associates with extra attention paid to underrepresented individuals and communities.

## SDG #13 Climate Action

We raise awareness and educate our associates about the effects of climate change and ways we can mitigate its effects.

## SDG #15 Life on Land

We advocate for the preservation and care of forests, vineyards, parks and more, while highlighting ways that small, personal actions can help our natural environment.

## SDG #16 Peace, Justice and Strong Institutions

We support organizations whose missions enforce accountability and transparency by promoting non-discriminatory laws and policies for all.
