1) Describe your situation when the natural disaster occurred.

During the Texas deep freeze in February 2021, my home had several broken pipes in the attic and bedroom, ceiling and wall damage, a floor that needed to be replaced, mold and mildew damage, and finally limited water usage.

2) Describe how the RNDC Relief Fund assisted you in the recovery process.

It was a blessing to be able to have assistance to get work completed and restore our home to a livable condition.

3) Why is it important to have the RNDC Relief Fund available to associates during natural disasters?

It helps to cope with unexpected hardship that would have otherwise placed undue financial stress on families. Both my wife, Diane, and I would like to truly express our gratitude toward RNDC for supporting us during the stressful time of the freeze. Thank you so much for your financial help when we needed it most. It was a blessing to be able to have work completed to restore our home.
