

Name: Tori Bell
Title: Talent Manager For Supplier Business Development-Wine
Location: Houston, TX

Tori began her career at RNDC in the Retail Wine division as a grocery sale representative for Southeast Texas. In 2011 was promoted to District Manager, and from 2013-2016 she served as the RTM for Southeast Texas and Oklahoma, before moving back into Retail wine—this time as an Area Manager. In January 2019, Tori began her role as Talent Manager for Supplier Business Development, covering wine portfolios across 13 markets for RNDC.

“I love the unlimited opportunities available at RNDC, whether it's a new position, a group like Women's Leadership Forum, where you get to meet so many great ladies and share experiences, or the volunteerism committees who work hand in hand with suppliers. If you are looking to get connected, RNDC is a great place to do it. The opportunities are there; you just have to get connected,” said Tori.
