

Name: Kristen Vesely

Title: Account Executive, National Accounts On Premise

Location: Grand Prairie, TX

Kristen Vesely was born in Great Falls, MT on a military base. As a child she moved around as most military children do—so by the time she graduated high school Kristen had already lived in six different cities and two countries.

Kristen's passion for education led her to becoming a special education teacher in upstate New York. Struggling to make ends meet on a teacher's salary, she picked up an extra job as a bartender and that was the spark for her career in the beverage industry.

Eventually, Kristen made her way to Las Vegas where she became engrained in the food and beverage industry on the operations side opening bars, restaurants and even a casino; The Cosmopolitan of Las Vegas. Her passion for the business caught the eye of Pernod Ricard and she was offered a position to be the first Absolut Brand Ambassador in Las Vegas.

Kristen's nearly decade long career with Pernod Ricard eventually brought her to Texas where she landed an opportunity with RNDC as Director of On-Premise Sales for the Eagle Division.

When Kristen is not thinking about how to continue to grow the business, she enjoys spending time traveling, baking, and gardening with her daughter Vera, son Colton and husband Adam.
