

Name: Linda Benjamin
Title: Portfolio Manager
Location: Tampa, Florida

Linda began her career in the beverage industry over 25 years ago. She has held numerous senior level management positions at top companies like Beam Suntory and PepsiCo. Her unique background includes sales, operations and supply chain management that spanned across the U.S. and Caribbean.

In 2017, Linda joined RNDC as a portfolio manager for our spirits brand and is based in Florida.

“As a female leader in the big state of Florida, my opportunity to connect, influence and develop other women colleagues, is a driving force for me,” said Linda. “After my multiple decades in the beverage business, the outlook has never been stronger for women’s influence and growth. I’m proud to be a part of this change.”

Linda is a graduate of Purdue University. She also holds her WSET II Spirits certification as well as Supply Chain Management certification.
